Dear Valued Customer,

Security Innovations, Inc. knows that our customers are our best referrals, and it is referrals from customers like you that have helped our company grow throughout the years. As a thank you to our loyal customers, we have developed a Referral Rewards Program. At Security Innovations, Inc., we understand the importance of having a security company you can rely on and would like the opportunity to offer the same level of protection and professional service to your relatives, friends, neighbors and co-workers.

REFERRAL REWARDS PROGRAM

For each referral that results in a new agreement for services, Security Innovations, Inc. will reward you with the choice of TWO MONTHS OF FREE MONITORING or A CHECK FOR \$25. It's our way of saying thank you for your loyalty.

There's no limit to how many times you can earn the referral reward, so start spreading the word today. All it takes is 6 referrals to sign a new agreement for services for you to earn free monitoring for an entire year!

For a limited time, we are also offering a \$100 discount on the purchase of security protection to any new referrals. Your referrals will receive a discount on their security protection purchase and you will be rewarded for your referral. It's a win-win for everyone!

Here are some easy ways to help you get started:

1. Share the coupon on Facebook and other social media sites along with your experience with Security Innovations, Inc.
2. Give the coupon to select friends and relatives. Additional copies available to download at www.security-innovations.com/referral
3. Tell your relatives and friends to visit www.security-innovations.com to find out more about our company.
4. Be sure to visit www.security-innovations.com/referral to fill out our online referral form with your referrals and to choose your referral reward.
